1.0 Purpose of the Policy

- 1.1 The purpose of this policy is to determine the level of discretionary relief to be awarded in respect of the following:
- Retail, Hospitality and Leisure Business Rates Relief Scheme (2025-26 only);
 - Supporting Small Business Rates Relief (2026-2029);
 - Pubs and Live Music Venues Relief (2026-2027); and
 - Eligible Electric Vehicle Charging Points and Electric Vehicle only forecourts (EVCP relief) (2026-27)
- 1.2 All of the above reliefs are Government led initiative and the Council is keen to support businesses as far as possible. The Council will grant relief in line with Government guidance.

2.0 Retail Hospitality and Leisure Relief (2025-2026 only)

- 2.1. At the Autumn Budget on 30 October 2024 the Chancellor announced the extension of the business rates relief scheme for retail, hospitality, and leisure (RHL) properties, worth over £1.5 billion in 2025-26. This will provide businesses with the necessary interim support until the introduction of the permanently lower tax rates for RHL properties, including those on the high street, from 2026-27.
- 2.2 The 2025-26 Retail, Hospitality and Leisure Business Rates Relief scheme will provide eligible, occupied, retail, hospitality, and leisure properties with a 40% relief, up to a cash cap limit of £110,000 per business.

How will the relief be provided?

- 2.3 As this is a temporary measure for 2025-26 (to be replaced by a change to the business rates multipliers from 1 April 2026), Government is not changing the legislation relating to the reliefs available to properties. Instead, Government will, in line with the eligibility criteria set out in this guidance, reimburse the Council if it uses its discretionary relief powers under section 47 of the Local Government Finance Act 1988 (as amended) to grant relief. It will be for the Council to adopt a local scheme and determine in each individual case when, having regard to this guidance, to grant relief under section 47.
- 2.4 Government will fully reimburse the Council and major precepting authorities for their loss of income under the rates retention scheme as a result of awarding the relief that falls within the definitions in this guidance, using a grant under section 31 of the Local Government Act 2003.
- 2.5 The government expects the Council to apply and grant relief to qualifying ratepayers from the start of the 2025-26 billing year.

Which properties will benefit from relief?

- 2.6 Hereditaments which benefit from the relief will be those which for a chargeable day in 2025-26:
- (a) meet the eligibility criteria; and
 - (b) the ratepayer for that chargeable day has not refused the relief for the eligible hereditament. The ratepayer may refuse the relief for each eligible hereditament anytime up to 30 April 2026. The ratepayer cannot subsequently withdraw their refusal for either all or part of the financial year.
- 2.7 The Council has decided that, for the purposes of section 47 of the 1988 Act, hereditaments where the ratepayer has refused the relief are outside of the scheme and outside of the scope of the decision of which hereditaments qualify for the discount and are therefore ineligible for the relief.
- 2.8 In line with the legal restrictions in section 47(8A) of the Local Government Finance Act 1988, the Council may not grant the discount to themselves or precepting authorities

How much relief will be available?

- 2.9 Subject to the £110,000 cash cap per business, the total amount of government-funded relief available for each property for 2025-26 under this scheme is for chargeable days from 1 April 2025 to 31 March 2026, 40% of the chargeable amount.
- 2.10 The relief will be applied after mandatory reliefs and other discretionary reliefs funded by section 31 grants have been applied, but before those where the Council has used its wider discretionary relief powers introduced by the Localism Act 2011, which are not funded by section 31 grants. However, the former categories of discretionary relief available prior to the Localism Act 2011 (i.e., charitable relief etc.) will be applied first in the sequence of discretionary reliefs and, therefore, before Retail, Hospitality and Leisure relief. Authorities may use their discretionary powers to, at cost to themselves, offer further discounts outside this scheme or additional relief to hereditaments within the scheme. However, where the Council applies a locally funded relief under section 47, this will be applied after the Retail, Hospitality and Leisure relief.
- 2.11 The ordering **will** be applied in following sequence:
- Improvement Relief
 - Transitional Relief
 - Mandatory Reliefs (as determined in legislation)
 - S.47 Discretionary Relief in the following order:
 - (i) 2023 Supporting Small Business (SSB);

- (ii) Former categories of discretionary relief available prior to the Localism Act 2011 (i.e., charitable, CASC, rural top up, and not for profit) will be applied first in the sequence of discretionary reliefs, after SSB;
- (iii) Other discretionary (centrally funded);
- (iv) 2025-26 Retail Hospitality and Leisure relief scheme; and
- (v) Other locally funded schemes (such as section 49 hardship).

2.12 Subject to the cash cap, the eligibility for the discount and the relief itself will be assessed and calculated on a daily basis. The following formula will be used to determine the amount of relief to be granted for a chargeable day for a particular hereditament in the financial year 2025-26:

- Amount of relief to be granted = $V \times 0.40$ where:
- V is the daily charge for the hereditament for the chargeable day after the application of any mandatory relief and any certain other discretionary reliefs in line with 5.3 above.

2.13 This will be calculated ignoring any prior year adjustments in liabilities which fall to be liable on the day.

2.14 Ratepayers that occupy more than one property will be entitled to relief for each of their eligible properties up to the maximum £110,000 cash cap, per business.

The Cash Cap and Subsidy Control

2.15 Under the cash cap, no ratepayer can in any circumstances exceed the £110,000 cash cap across all of their hereditaments in England.

2.16 Where a ratepayer has a qualifying connection with another ratepayer, then those ratepayers will be considered as one ratepayer for the purposes of the cash caps. A ratepayer shall be treated as having a qualifying connection with another:

- (a) where both ratepayers are companies, and
 - (i) one is a subsidiary of the other, or
 - (ii) both are subsidiaries of the same company; or
- (b) where only one ratepayer is a company, the other ratepayer (the “second ratepayer”) has such an interest in that company as would, if the second ratepayer were a company, result in its being the holding company of the other.

2.17 The Retail Hospitality and Leisure Scheme is likely to amount to subsidy. Any relief provided by the Council under this scheme will need to comply with the UK’s domestic and international subsidy control obligations.

2.18 To the extent that the Council is seeking to provide relief that falls below the Minimal Financial Assistance (MFA) thresholds, the Subsidy Control Act allows an economic actor (e.g., a holding company and its subsidiaries) to receive up to £315,000 in a 3-year period (consisting of the 2025-26 year and the 2 previous

financial years). MFA subsidies cumulate with each other and with other subsidies that fall within the category of 'Minimal or SPEI financial assistance'.

- 2.19 In those cases, where it is clear to the Council that the ratepayer is likely to breach the cash cap or the MFA limit, then the Council will automatically withhold the relief.
- 2.20 MFA subsidies above £100,000 are subject to transparency requirements. This is not cumulated per beneficiary but applies per subsidy award. This means that for every individual subsidy provided of more than £100,000, the Council will include details of the subsidy on the subsidy control database.

Splits, mergers, and changes to existing hereditaments

- 2.21 The relief will be applied on a day-to-day basis using the formula set out above. A new hereditament created as a result of a split or merger during the financial year, or where there is a change of use, will be considered afresh for the relief on that day.

Recalculations of relief

- 2.22 The amount of relief awarded will be recalculated in the event of a change of circumstances. This could include, for example, a backdated change to the rateable value or the hereditament. This change of circumstances could arise during the year in question or during a later year.
- 2.23 Under regulations made under section 47 of the Local Government Finance Act 1988 the Council must give at least 12 months' notice of a revocation or variation of a rate relief scheme the effect of which would be to increase rate bills. Such a revocation or variation can only take effect at the end of a financial year (other than to comply with international agreements). But within these regulations, the Council may still make decisions to ensure the scheme is administered in accordance with the extant rules. If a change in circumstances renders a property ineligible, the relevant bill can be amended in the year to reflect the loss of the relief.

Eligibility for the Retail, Hospitality and Leisure Relief Scheme

- 2.24 The Council uses the following definitions to establish eligibility for the relief:

Hereditaments that meet the eligibility for Retail, Hospitality and Leisure scheme will be occupied hereditaments which meet all of the following conditions for the chargeable day:

- they are wholly or mainly being used:
 - (i) as shops, restaurants, cafes, drinking establishments, cinemas, or live music venues,
 - (ii) for assembly and leisure; or

(iii) as hotels, guest & boarding premises, or self-catering accommodation

i. Hereditaments that are being used for the sale of goods to visiting members of the public:

- Shops (such as florists, bakers, butchers, grocers, greengrocers, jewellers, stationers, off licences, chemists, newsagents, hardware stores, supermarkets, etc)
- Charity shops
- Opticians
- Post offices
- Furnishing shops/ display rooms (such as carpet shops, double glazing, garage doors)
- Car/caravan show rooms
- Second-hand car lots
- Markets
- Petrol stations
- Garden centres
- Art galleries (where art is for sale/hire)

ii. Hereditaments that are being used for the provision of the following services to visiting members of the public:

- Hair and beauty services (such as hairdressers, nail bars, beauty salons, tanning shops, etc)
- Shoe repairs/key cutting
- Travel agents
- Ticket offices e.g., for theatre
- Dry cleaners
- Launderettes
- PC/TV/domestic appliance repair
- Funeral directors
- Photo processing
- Tool hire
- Car hire

iii. Hereditaments that are being used for the sale of food and/or drink to visiting members of the public:

- Restaurants
- Takeaways
- Sandwich shops
- Coffee shops
- Pubs
- Bar

iv. Hereditaments which are being used as cinemas

v. Hereditaments that are being used as live music venues:

- Live music venues are hereditaments wholly or mainly used for the performance of live music for the purpose of entertaining an audience. Hereditaments cannot be considered a live music venue for the purpose of business rates relief where a venue is wholly or mainly used as a nightclub or a theatre, for the purposes of the Town and Country Planning (Use Classes) Order 1987 (as amended).
- Hereditaments can be a live music venue even if used for other activities, but only if those other activities (i) are merely ancillary or incidental to the performance of live music (e.g., the sale/supply of alcohol to audience members) or (ii) do not affect the fact that the primary activity for the premises is the performance of live music (e.g., because those other activities are insufficiently regular or frequent, such as a polling station or a fortnightly community event).
- There may be circumstances in which it is difficult to tell whether an activity is a performance of live music or, instead, the playing of recorded music.

vi. Hereditaments that are being used for the provision of sport, leisure, and facilities to visiting members of the public (including for the viewing of such activities).

- Sports grounds and clubs
- Museums and art galleries
- Nightclubs
- Sport and leisure facilities
- Stately homes and historic houses
- Theatres
- Tourist attractions
- Gyms
- Wellness centres, spas, massage parlours
- Casinos, gambling clubs and bingo halls

vii. Hereditaments that are being used for the assembly of visiting members of the public.

- Public halls
- Clubhouses, clubs, and institutions

viii. Hereditaments where the non-domestic part is being used for the provision of living accommodation as a business:

- Hotels, Guest, and Boarding Houses
- Holiday homes
- Caravan parks and sites

2.25 To qualify for the relief the hereditament should be wholly or mainly being used for the above qualifying purposes. In a similar way to other reliefs (such as charity relief), this is a test on use rather than occupation. Therefore, hereditaments

which are occupied but not wholly or mainly used for the qualifying purpose will not qualify for the relief.

- 2.26 The list set out above is not intended to be exhaustive as it would be impossible to list the many and varied uses that exist within the qualifying purposes.

Hereditaments that are being used for the provision of the following services to visiting members of the public:

- 2.27 The list below sets out the types of uses that the government does not consider to be an eligible use for the purpose of this discount. Again, it is for the Council to determine for themselves whether particular properties are broadly similar in nature to those below and, if so, to consider them **not** eligible for the discount under their local scheme:
- Financial services (e.g., banks, building societies, cash points, bureaux de change, short-term loan providers, betting shops);
 - Medical services (e.g., vets, dentists, doctors, osteopaths, chiropractors);
 - Professional services (e.g., solicitors, accountants, insurance agents/ financial advisers, employment agencies, estate agents, letting agents); and
 - Post office sorting offices

3.0 Supporting Small Business Rates Relief Scheme (2026 - 2029)

Introduction

- 3.1 At the 2025 Autumn Budget the Chancellor announced that the 2026 SSBR scheme will cap bill increases at £800 per year or the relevant caps within transitional relief (whichever is the greatest) for any business losing eligibility for certain reliefs, including Small Business Rate Relief and Rural Rate Relief, at the 2026 revaluation.

How will 2026 SSBR be provided?

- 3.2 For 2026/27 to 2028/29, the government will, in line with the eligibility criteria set out in this guidance, reimburse local authorities that use their discretionary relief powers under section 47 of the Local Government Finance Act 1988, to grant 2026 SSBR.
- 3.3 It will be for individual local authorities, which administer the 2026 SSBR, to adopt a local scheme and determine in each individual case when, having regard to this guidance, to grant relief under section 47.
- 3.4 Central government will reimburse billing authorities and major precepting authorities for the actual cost to them under the rates retention scheme of the 2026 SSBR that falls within the definitions in this guidance.

Who is eligible for the 2026 SSBR and how much relief will be available?

- 3.5 2026 SSBR will help those ratepayers who at the revaluation are seeing large increases in their bills as a result of losing some or all of their:
- (a) Small Business Rate Relief or Rural Rate Relief;
 - (b) 40% Retail Hospitality and Leisure Relief, and/or;
 - (c) 2023 Supporting Small Business Relief.
- 3.6 Charities and Community Amateur Sports Clubs, who are already entitled to mandatory 80% relief, are not eligible for 2026 SSBR.
- 3.7 To support eligible ratepayers, 2026 SSBR will ensure that the increase in the bills of these ratepayers is limited to £800 per year or the relevant caps within transitional relief whichever is the greater
- 3.8 For those ratepayers receiving 2023 SSB relief on 31/3/26 (including those also receiving SBRR, Rural Rate Relief and/or RHL Relief on 31/3/26), any eligibility for 2026 SSBR will end on 31 March 2027.
- 3.9 All other eligible ratepayers remain in 2026 SSBR for either 3 years or until they reach the bill they would have paid without the scheme.
- 3.10 A change of ratepayers will not affect eligibility for the Supporting Small Business scheme but eligibility will be lost if the property falls vacant or becomes occupied by a charity or Community Amateur Sports Club.
- 3.11 There is no second property test for eligibility for the 2026 SSBR scheme. However, those ratepayers who during 2025/26 lost entitlement to Small Business Rate Relief (because they failed the second property test) but have, under the rules for Small Business Rate Relief, been given a 12 month period of grace before their relief ended (or from 27/11/25 3 years) - can continue on the 2026 SSBR scheme for the remainder of their period of grace.

Sequence of reliefs

- 3.12 Hereditaments eligible for charity or Community Amateur Sports Club relief or hereditaments which are unoccupied are not eligible for 2026 SSBR. And, for the avoidance of doubt, small business rate relief or rural rate relief should not be applied to further reduce the bill found under 2026 SSBR.

For example,

- a non-RHL ratepayer eligible for Small Business Rate Relief whose rateable value has increased from £3,000 (paying £0 in 2025/26) to £14,000 would be paying the following in 2026/27 before 2026 SSBR:

•	
Bill before reliefs (including 1p Transitional Relief Supplement):	£6,188
Bill after transitional relief:	£1,572
Bill after Small Business Rate Relief (@1/3)	£1,048

- After 2026 SSBR the bill for 2026/27 would be reduced to £800. No further Small Business Rate Relief should be applied to the £800 bill. No addition for Transitional Relief Supplement is made to a bill within SSBR.

3.13 The same principle applies to properties for which a Section 44A certificate has been granted (apportionment of rateable values for partly occupied properties).

3.14 The presence of a section 44A certificate should not further reduce the bill found under 2026 SSBR.

3.15 All other discretionary reliefs, including those funded by section 31 grants, should be considered **after** the application of 2026 SSBR.

Subsidy control

3.16 The 2026 SSBR is likely to amount to a subsidy. Therefore, any relief provided by local authorities under this scheme will need to comply with the UK's domestic and international subsidy control obligations.

3.17 To the extent that a local authority is seeking to provide relief that falls below the Minimal Financial Assistance (MFA) thresholds, the Subsidy Control Act allows an economic actor (e.g. a holding company and its subsidiaries) to receive up to £315,000 in a three-year period (consisting of the 2026/27 year and the two previous financial years). MFA subsidies cumulate with each other and with other subsidies that fall within the category of 'Minimal or SPEI financial assistance'. Any other subsidies claimed under the Small Amounts of Financial Assistance limit of the Trade and Cooperation Agreement should be counted under the £315,000 allowance.

3.18 In those cases where it is clear to the local authority that the ratepayer is likely to breach the MFA limit then the authority should automatically withhold the relief. Otherwise, local authorities may include the relief in bills and ask the ratepayers, on a self-assessment basis, to inform the authority if they are in breach of the MFA limit.

3.19 MFA subsidies above £100,000 are subject to transparency requirements. This is not cumulated per beneficiary but applies per subsidy award. This means that for every individual subsidy provided of more than £100,000, the local authority will need to include details of the subsidy on the subsidy control database.

Recalculations of reliefs

3.20 As with other reliefs, the amount of SSBR awarded should be recalculated in the event of a change of circumstances. This could include, for example, a backdated change to the rateable value or to the hereditament. This change of circumstances could arise during the year in question or during a later year.

Detailed guidance for operation of the 2026 Supporting Small Business Relief (2026 SSBR)

Day 1 Eligibility for the Scheme

3.21 For 1 April 2026, a hereditament will be eligible for 2026 SSBR where:

(a) the chargeable amount for 31 March 2026 was calculated in accordance with:

- (i) paragraph 4 of Schedule 4ZA (SBRR not in transitional relief), or
- (ii) regulation 12(6) of, or paragraph 4(5) or 5(5) of the Schedule to, the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2022 SI 2022 No. 1403 (SBRR within transitional relief), or
- (iii) paragraph 5 of Schedule 4ZA by virtue of paragraph 8 of Schedule 4ZA (Rural Rate Relief), or
- (iv) section 47 by virtue of being eligible for schemes introduced by local authorities to deliver:
 - a. the 2023 Supporting Small Business Relief Scheme as set out in guidance issued by this Department on 21 December 2022, or
 - b. the 2025/26 Retail, Hospitality and Leisure Scheme as set out in guidance issued by this Department on 16 January 2025, and

(b) the hereditament for 1 April 2026 was occupied, and

(c) the ratepayer for 1 April 2026 was not a charity or trustees for a charity or a community amateur sports club eligible for relief under paragraph 2 of Schedule 4ZA or regulation 12(5) of, or paragraphs 2(4), 3(4), 4(4) or 5(4) of the Schedule to, the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2026.

3.22 Where a hereditament meets these criteria then the rules for determining a chargeable amount below will apply provided that the chargeable amount within the 2026 SSBR scheme is less than it would otherwise be absent the 2026 SSBR scheme.

Ceasing of eligibility for the scheme after 1 April 2026

3.23 After 1 April 2026, 2026 SSBR will cease to apply where:

- (a) the chargeable amount for a day found under 2026 SSBR is the same as or more than the chargeable amount found in the absence of 2026 SSBR. This ensures that where, for example, the increase in the chargeable amount in 2026 SSBR would take the bill above the level it would otherwise have been then the hereditament will drop out of 2026 SSBR. It also ensures that where, for example, with effect from after 1 April 2026, the hereditament becomes eligible for 100% Small Business Rate Relief then they also fall out of 2026 SSBR, or

- (b) the ratepayer changes to a charity or trustees for a charity or a community amateur sports club eligible for relief under paragraph 2 of Schedule 4ZA or regulation 12(5) of, or paragraphs 2(4), 3(4), 4(4) or 5(4) of the Schedule of the Schedule to, the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2026, or
- (c) the hereditament for a day is unoccupied, or
- (d) in respect of days from the 1 April 2027 onwards the hereditament had its chargeable amount for 31 March 2026 found by section 47 by virtue of being eligible for schemes introduced by local authorities to deliver the 2023 Supporting Small Business Relief Scheme as set out in guidance issued by this Department on 21 December 2022. For the avoidance of doubt, such hereditaments which were also eligible for SBRR/RRR or RHL Relief on 31 March 2026 will also cease to be eligible for 26 SSBR from 1 April 2027.

3.24 Furthermore, where the ratepayer during 2025/26 lost entitlement to small business rate relief because they failed the 2nd property test but have, under the rules for small business rate relief, been given a 12 month (or from 27/11/25 3 years) period of grace before their relief ended (and therefore was still entitled to small business rate relief on 31 March 2026), then eligibility for 2026 SSBR will cease at the end of that period of grace.

3.25 Hereditaments which cease to be entitled to 2026 SSBR for a day cannot return to eligibility if their circumstances change from a later day. For example, if a property falls unoccupied it will not then be eligible for 2026 SSBR if it subsequently becomes occupied again.

Eligibility post 1 April 2026 by virtue of a regulation 17 certificate

3.26 As with the transitional relief scheme, where the valuation officer issues a certificate of rateable value under regulation 17 of the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2026 certifying the correct rateable value at 1 April 2026 (in circumstances where they cannot by rule now amend the list for 1 April 2026) then eligibility for 2026 SSBR and the calculation of 2026 SSBR should be revisited using the regulation 17 certified value in place of the value shown in the list for 1 April 2026. As with the transitional relief scheme, this should have effect as regards the days referred to in regulation 17(4) (the effective date of when the list was altered to correct the inaccuracy and subsequent days) or regulation 17(5) (where no alteration has been made).

3.27 This ensures that those ratepayers whose compiled list 2026 rateable values are increased by the Valuation Officer but only from the date the list is altered may still be eligible for SSBR from that point onwards. This ensures those ratepayers are not penalised just because the increase in their rateable value was not backdated to 1 April 2026. This follows the same principle which exists in the transitional relief scheme.

Chargeable Amount under the Supporting Small Business Scheme

3.28 Where 2026 SSBR applies then MHCLG will fund local authorities to apply a chargeable amount under section 47 of the 1988 Act for the period 1 April 2026 to 31 March 2029 found in accordance with the rules in Part 1 to Part 3 of the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2026 (“the 2026 TR Regulations”) subject to the following changes.

Base Liability

3.29 References in the 2026 TR Regulations to the Base Liability (BL) for 2026/27 should be taken to be the chargeable amount for 31 March 2026 x 365 for the hereditament adjusted as necessary for the assumption that:

- (i) section 47 did not apply for 31 March 2026 other than where the hereditament was eligible for the 2023 Supporting Small Business Relief Scheme or the 2025/26 Retail, Hospitality and Leisure Scheme,
- (ii) The ratepayer on 31 March 2026 was not a charity or a CASC,
- (iii) the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2022 SI 2022 No. 1403 did not apply for 31 March 2026 (the 2023 Transitional Relief Scheme), and
- (iv) the City of London’s special authority multiplier and small business multiplier for 2025/26 were 55.5p and 49.9p respectively.

3.30 This ensures the starting BL for hereditaments eligible for 2026 SSBR include the SBRR, rural rate relief, 2023SSBR or 2025/26 RHL relief for 31 March 2026 but assumes there was no transitional relief or charity relief .

3.31 Where as a result of the subsidy control limits the amount of RHL relief awarded for 31 March 2026 for a hereditament is less than 40% then the 2026/27 BL for that hereditament should reflect the actual level of RHL relief awarded for 31 March 2026.

3.32 Where a certificate has been issued under regulations 18 or 19 of the Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2026 then BL for 2026/27 should be found in line with the above but on the assumption that the rateable value in the rating list was the rateable values as certified.

3.33 References in the 2026 TR Regulations to BL for 2027/28 and 2028/29 should be taken to be references to “(BL x AF) or (BL + 800) whichever is the greater” from the year immediately preceding the year concerned.

Recalculation of chargeable amount for 31/3/26 for the purposes of BL in the 2026 SSBR Scheme

3.34 Where a hereditament which is eligible for 2026 SSBR was receiving transitional relief on 31 March 2026 it will, therefore, be necessary, for the purposes of

determining BL in the 2026 SSBR scheme, to recalculate the chargeable amount for 31 March 2026 on the assumption that transitional relief did not apply.

- 3.35 For those ratepayers receiving SBRR, Rural Rate Relief and/or RHL relief on 31/3/26 (but not 23 SSBR), this recalculation for 31/3/26 will give a different figure to the actual chargeable amount. This is because all of those reliefs apply a set percentage relief to the sum after transitional relief – i.e. they are “top down” reliefs.
- 3.36 The same is not true for those receiving 2023 SSBR on 31/3/26. 2023 SSBR is a “bottom up” calculation where the chargeable amount is found by increasing the liability for the previous year (in that scheme by £600). Transitional relief therefore has no bearing upon the final chargeable amount of a bill found by 2023 SSBR. In these cases, recalculating the 31/3/26 bill ignoring transitional relief gives the same result. The value of the 2023 SSBR will just compensate for the loss of transitional relief to deliver the same outcome for 31/3/26. This is as intended.

Calculation of Chargeable Amount

- 3.37 References in the 2026 TR Regulations to “(BL x AF)” should be taken to be references to “(BL x AF) or (BL + 800) whichever is the greater. This ensures the bill increase is the greater of £800 or the increase under the caps in the transitional relief scheme.
- 3.38 Regulations 12(6) & (7) of the 2026 TR Regulations should be assumed to have been omitted. This ensures SBRR is not also applied to the capped bill in 2026 SSBR. This avoids double counting of relief if the hereditament is in the SBRR taper.
- 3.39 No change is made to the meaning of NCA from that in the 2026 TR Regulations. Therefore, as with the 2026 TR Regulations, the Transitional Relief Supplement in 2026/27 will be added to NCA. Again, as with the 2026 TR Regulations, there should be no separate addition to bills for hereditaments eligible for 2026 SSBR such that, for example, an eligible ratepayer losing their 100% SBRR on 1 April 2026 would under the 2026 SSBR scheme pay £800 in 2026/27 and not £800 plus the Transitional Relief Supplement.
- 3.40 For the avoidance of doubt, the rules for changes in rateable value with effect from after 1 April 2026 (regulation 13) will continue to apply as normal subject to the amendments above. This ensures that, for example, later increases in rateable value are paid in full in the normal way. As with the main transitional relief scheme, references to the rateable value in the list should, if the hereditament is eligible for Improvement Relief, be taken to be references to the rateable value less the value of the Improvement Relief certificate.

Splits and mergers

- 3.41 Hereditaments will be eligible for 2026 SSBR where they have:

- (a) come into existence because of the circumstances described in paragraph 1 of the 2026 TR Regulations, and
 - (b) where one of the hereditaments from which the new hereditament was formed in whole or in part was for the day immediately before the creation day eligible for 2026 SSBR.
- 3.42 2026 SSBR will not apply or cease to apply to splits and mergers in the circumstances described above (Ceasing of eligibility for the scheme after 1 April 2026).
- 3.43 The number of hereditaments eligible for 2026 SSBR which then split or merge is likely to be small and devising rules in particular for mergers with properties outside of 2026 SSBR would be complex. Therefore, as with the previous SSBR schemes, the government has concluded it would be disproportionate to devise detailed rules to prescribe the chargeable amounts in the various circumstances which could arise from a split or a merger.
- 3.44 Instead, for hereditaments meeting the criteria above, MHCLG will fund local authorities to apply a chargeable amount under section 47 of the 1988 Act found in accordance with the following principle:
- (a) that the protection offered by 2026 SSBR (that the bill will not rise by more than £800 p.a. or the transitional reliefs caps whichever is the greater) will continue to apply in principle to that part of the newly created hereditament which was immediately before the creation day in 2026 SSBR, and
 - (b) that increases (or reductions) in overall rateable value arising from the split or merger are not subject to the protection of 2026 SSBR.
- 3.45 For simple splits of hereditaments previously eligible for 2026 SSBR, authorities may wish to simply apportion the chargeable amount in the SSB scheme for the hereditament before the split in line with the change in rateable value from the split (i.e. in line with the principle in the Schedule of Non-Domestic Rating (Chargeable Amounts) (England) Regulations 2026).
- 3.46 For mergers and reorganisations, the authority will have to estimate the degree to which, in line with the principle of the 2026 SSBR scheme, that part of the hereditament which was formerly eligible for 2026 SSBR should continue to receive support under the 2026 SSBR scheme. MHCLG does not expect authorities to seek any formal apportionments of the rateable value for this purpose.

4.0 Pubs and Live Music Venues Relief

General Explanation

- 4.1 The government on 27 January 2026 that in 2026-27, eligible pubs and live music venues will benefit from a 15% business rates relief on top of the support announced at Budget 2025. Their bills will then be frozen in real terms for a further 2 years.
- 4.2 The pubs and live music venues relief will be delivered via section 47 (discretionary relief) funded by section 31 grant.
- 4.3 The government's policy intention is that pubs and live music venues should be eligible for the relief. **The relief should apply to occupied properties only.**

Pubs

- 4.4 Relief should only be awarded to pubs which meet all of the following characteristics:
 - (a) is open to the general public
 - (b) allows free entry other than when occasional entertainment is provided
 - (c) allows drinking without requiring food to be consumed
 - (d) permit drinks to be purchased at a bar
- 4.5 For these purposes, the meaning of pub does not include:
 - (a) restaurants, cafes, nightclubs, snack bars
 - (b) hotels, guesthouses, boarding houses
 - (c) sporting venues
 - (d) festival sites, theatres, cinemas
 - (e) museums, exhibition halls
 - (f) casinos
- 4.6 The proposed exclusions in the list in the paragraph above is not intended to be exhaustive and it will be for the local authority to determine those cases where eligibility is unclear.
- 4.7 Where eligibility is unclear authorities should also consider broader factors in their considerations – i.e., in meeting the stated intent of policy that it demonstrates the characteristics that would lead it to be classified as a pub by the natural meaning of the word. For example, being owned and operated by a brewery.

Live music venues

- 4.8 Live music venues are properties that are:
 - (a) wholly or mainly used for the performance of live music for the purpose of entertaining an audience

- (b) can be used for other activities but only if those other activities are:
 - (i) ancillary or incidental to the performance of live music (e.g. the sale of food or drink to audience members)
 - (ii) Do not affect the primary use of the premises for the performance of live music (e.g. because the activities are infrequent such as use of the venue as a polling station or fortnightly community event)

4.9 Properties are not a live music venue for the purpose of this relief if the property is wholly or mainly used as a nightclub or a theatre, for the purposes of the Town and Country Planning (Use Classes) Order 1987 (as amended).

4.10 There may be circumstances where it is difficult to tell whether an activity is a performance of live music or, instead, the playing of recorded music. Although we would expect this to be clear in most circumstances, guidance on this may be found in Chapter 16 of the statutory guidance issued in April 2018 under section 182 of the Licensing Act 2003.

How much relief will be available?

4.11 The eligibility for the relief and the relief itself will be assessed and calculated on a daily basis. The following formula should be used to determine the amount of relief to be granted for a chargeable day for a particular hereditament in the financial year 2026-27:

Amount of relief to be granted = $V \times 0.15$ (i.e. 15% relief) where:

V is the daily charge for the hereditament for the chargeable day after the application of any mandatory relief and certain other discretionary reliefs in line with the list below.

4.12 This should be calculated ignoring any prior year adjustments in liabilities which fall to be liable on the day. The relief is not subject to any cap.

4.13 The relief should be applied after mandatory reliefs and other discretionary reliefs funded by section 31 grants have been applied, but before those where local authorities have used their wider discretionary relief powers introduced by the Localism Act 2011, which are not funded by section 31 grants.

4.14 However, as required in the NNDR guidance notes, the former categories of discretionary relief available prior to the Localism Act 2011 (i.e. charitable/CASC and not for profit) should be applied first in the sequence of discretionary reliefs and, therefore, before pubs and live music venues relief. Authorities may use their discretionary powers to, at cost to themselves, offer further relief outside this scheme or additional relief to hereditaments within the scheme. However, where an authority applies a locally funded relief under section 47, this should be applied after the pubs and live music venues relief.

- 4.15 The ordering should be applied in following sequence:
- (a) Improvement Relief
 - (b) Transitional Relief
 - (c) Other mandatory Reliefs (as determined in legislation)
 - (d) Section 47 Discretionary Relief in the following order:
 - i. 2026 Supporting Small Business (SSB)
 - ii. Former categories of discretionary relief available prior to the Localism Act 2011 (i.e. charitable, CASC, not for profit) should be applied first in the sequence of discretionary reliefs, after SSB
 - iii. Other discretionary (centrally funded) including Freeport relief
 - iv. 2026-27 pubs and live music venues relief scheme
 - v. Other locally funded scheme.

5.0 Eligible Electric Vehicle Charging Points and Electric Vehicle only forecourts (EVCP relief)

General Explanation

- 5.1 The Government announced on 27th November 2025 that a ten-year 100% business rates relief for EVCPs separately assessed by the VOA and Electric Vehicle only forecourts to ensure that they face no business rates liability.
- 5.2 Guidance and full details of the relief have yet to be provided by Government however the Council will be fully financed for all relief granted.

6.0 Effect on the Council's Finances

- 6.1 As all of the reliefs within this policy are government led initiatives, grants for the full amount awarded will be available through section 31 of the Local Government Act 2003.

7.0 Administration of Discretionary Relief

- 7.1 The following section outlines the procedures followed by officers in granting, amending, or cancelling discretionary relief.

Applications and Evidence

- 7.2 All reliefs will be awarded automatically by the Council.
- 7.3 **The Council will provide this service and provide guidance free of charge. Ratepayers are encouraged to approach the Council direct and NOT pay for such services through third parties.**

Granting of relief

- 7.4 In all cases, the Council will notify the ratepayer of decisions via their rates demand and details will include:
- The amount of relief granted and the date from which it has been granted;
 - The new chargeable amount; and
 - A requirement that the applicant should notify the Council of any change in circumstances that may affect entitlement to relief.
- 7.5 This relief is to be granted from the beginning of the financial year in which the decision is made or when liability begins whichever is the later.
- 7.6 Variations in any decision will be notified to ratepayers as soon as practicable

8.0 Scheme of Delegation

Granting, Varying, Reviewing and Revocation of Relief

- 8.1 All powers in relation to reliefs are given under the Local Government Finance Act 1988, the Local Government and Rating Act 1997, the Local Government Act 2003, and the Localism Act 2011. However section 223 of the Local Government Act 1992 allows for delegation of decisions by the Council to Cabinet, Committees, Sub-Committees or Officers.
- 8.2 For the purposes of this policy, the Assistant Director Revenues, Benefits, Customer Services & Corporate Fraud will be able to award, revise or revoke any award of Retail, Hospitality and Leisure Business Rates relief.
- 8.3 Applications that are refused will, on request, be reconsidered if additional supporting information is provided or the refusal is subsequently considered to be based on a misinterpretation of the application.

9.0 Reviews

- 9.1 Where the Council receives an appeal from the ratepayer regarding the granting, non-granting or the amount of any relief, the case will be reviewed by the Assistant Director Revenues, Benefits, Customer Services & Corporate Fraud. Where a decision is revised, then the ratepayer shall be informed, likewise if the original decision is upheld.
- 9.2 Where the ratepayer wishes to appeal the decision, the case will be considered by the Council's Section 151 Officer whose decision on behalf of the Council will be final.

- 9.3 Ultimately the formal appeal process for the ratepayer is Judicial Review although the Council will endeavour to explain any decision fully and openly with the ratepayer.

10.0 Reporting changes in circumstances

- 10.1 Where any award is granted to a ratepayer, the Council will require any changes in circumstances which may affect the relief, to be reported as soon as possible or in any event within 21 days of the change. This will be important where the change would result in the amount of the award being reduced or cancelled.
- 10.2 Where a change of circumstances is reported, the relief will, if appropriate, be revised or cancelled as appropriate. Where any award is to be reduced, the Council will look to recover the amount from the date the change of circumstances occurred.

11.0 Fraud

- 11.1 Where a ratepayer falsely applies for any relief, or where the ratepayer provides false information, makes false representation, or deliberately withholds information in order to gain relief, prosecutions will be considered under the Fraud Act 2006.
