Subject: FW: [External] Cranbrook Plan - Proposed Main Modification consultation

Dear Planning team

Thank you for your email below regarding the Cranbrook Plan - Proposed Main Modification consultation.

The Coal Authority is a non-departmental public body sponsored by the Department of Business, Energy & Industrial Strategy. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

As you are aware, East Devon District Council lies outside the defined coalfield and therefore the Coal Authority has no specific comments to make on your Local Plans / SPDs etc.

In the spirit of ensuring efficiency of resources and proportionality, it will not be necessary for the Council to provide the Coal Authority with any future drafts or updates to the emerging Plans. This letter can be used as evidence for the legal and procedural consultation requirements at examination, if necessary.

Kind regards

Deb Roberts
(she / her)
