

APPENDIX D(ii)

2021 sites and 2017 (non-strategic sites) – MAPs

This file contains a compendium of maps showing the location of the sites identified from the 2021 Call for Sites and the 2017 non – strategic sites. The maps are in parish order.

Please note that site Sowt_12 is in the parish of Clyst St Mary, not Sowton parish. The HELAA reference number has not been changed for operational reasons.

The location of sites identified from the 2021 Call for Sites and the 2017 non – strategic sites listed in Appendix E (ii) can also be found using the HELAA interactive map available on the EDDC website using the following web link and scrolling down towards the end of the webpage

[Housing and Economic Land Availability Assessment - East Devon](#)

A click on a site shown on the map will show the relevant site reference(s).

A site map is included as part of each site's assessment profile in Appendix F(ii).for each site identified from these 2021 and 2017 (non-strategic) sites that have been assessed for potential housing or economic/employment led development.
