The National Trust is supportive of the draft Heritage Strategy and its contents. The National Trust notes the following objective (cited on pg 8, 57, 64 and 72 under 'Objectives Theme C' ) "Produce a template to guide neighbourhood planning groups in site assessments to ensure that heritage matters are appropriately considered". The National Trust has previously prepared guidance for Neighbourhood Planning Groups in respect of Heritage considerations. This is dated 2019, therefore does not reference any recent changes to planning policy/legislation. However it might still be useful reference for EDDC when preparing your own guidance. Therefore we attach a PDF for your info. +
